

Safety, Occupational Health and Environment Policy

HaadThip Public Company Limited

HaadThip Public Company Limited, manufacturer and distributor of Coca-Cola trademark products, is committed to complying with the law and other requirements in relation to Safety, Occupational Health and Environment Issues. The company will provide and maintain safe and hygienic working conditions to protect employees, reduce accidents, sickness, occupational health disease and other industrial related loss.

The company will promote safety awareness by providing various safety training programs in order to prevent hazards and reduce occupational risk. The company will also support employees by holding regular counseling sessions in relation to safe operations, preventing harm and maintaining strong physical and mental health.

The company considers that maintaining a safe working environment is also the duty and responsibility of all employees. Compliance of this policy will be communicated to employees in the organization, visitors, contractors, the public and other interested parties.

This shall be effective from now onwards

Effective from 30th June 2020
